Weight: 135 gr - 4.76 oz

Info

"The Core is a stout folder, light for its size and with a broad blade for hard work. It is designed to be your go-to folder for getting work done in your shop, in the outdoors or even out hunting. The flipper makes fast deployment easy and at the same time you have the option of using the opening hole when wearing thick gloves or in situations where you need to keep a solid grip on your knife while opening it."

Jesper Voxnaes

Blade Coating**: stone washed**

Blade Steel**: N690Co stainless steel**
