"The Suru was designed as a compact hardworking mini folder. A small knife with a full hand grip when needed. The stout 4mm blade and an almost full flat grind make it a strong but efficient cutter. The Suru is all the knife you need in most everyday situations where an edge is required. Great ergonomics, comfortable carry, super flipping action and a very sharp blade will make this one of your favorite small knives to carry!"

Jesper Voxnaes

Blade Coating: satin

Blade Steel: CPM 20 CV stainless steel
