Info

Tribal K is the new karambit designed by Doug Marcaida, knife designer and judge of "Forged in Fire". Available in fixed or folding blade.

Its design is characterized by the shape of the very curved blade where, on the back, there is a serration that returns a cut similar to that of a saw.

The handle is engraved with recurring triangular motifs in Philippine Martial Arts.

Blade Coating: black Top Shield®

Blade Steel: N690Co stainless steel
