**Info**

The Core Tanto series consists of eight knives with black, blue, OD green, orange and red FRN® handles available with either a black Top Shield® stonewashed or acid stonewashed (for the first three colors) N690Co blade.

This line was designed with knives in mind that can be relied upon in any setting thanks to a solid, sturdy blade equipped with a strong point to penetrate and a sharp main bevel.

The Core Tanto is the perfect tool for days outdoors as well as in urban environments.
