Info

The Suru series is enriched with new versions of the 2023 edition: a line of five knives with liner lock opening system and M398 blade.

The version with the carbon fiber handle is enriched with bronze anodized titanium screws that enhance even more the 3K Twill pattern, those with the Micarta handle, on the other hand, stand out for the different colors: burgundy, black, green and natural available with different blade finishes.

Blade Coating: **satin**

Blade Steel: **M398 Stainless steel**
