Weight: 97 gr - 3.42 oz

Info

The Yaru was designed to be used more intensively than the more compact Suru.
The idea was to create a functional knife that conveyed solidity during use and could perform as well as a small fixed blade.
The 2023 edition consisting of five knives with an M398 blade was also created for this line.

Blade Coating**: satin**

Blade Steel**: M398 Stainless steel**
