Info

This automatic folding knife is a reinterpretation of the previous model, renewed materials and colors making this new version more modern and attractive.

Two types of blade both made of N690Co steel with hardness of HRC 58-60.

Clip point and spear point blade with two finish variants: black idroglider, stone washed and OD green handle and Black PVD with black handle.

For both variants, the handle is anodized aluminum.

A tactical/Edc knife also ideal for hiking and adventure.

Blade Coating: **stone washed**

Blade Steel: **N690Co stainless steel**
