Info

The Fox Native is a bushcraft knife suitable for all the outdoor activities.

The perfect companion for all wilderness adventures, thanks to the 17.5 cm – 6.89" blade made of D2 carbon steel, it is easy to sharpen using even minimal resources, making this knife always perform in all situations.

The handle is made of durable Micarta: ergonomic and easy to handle, also equipped with holes for Paracord to achieve a higher level of safety during demanding work.

Blade Coating: **black Idroglider stone washed**

Idroglider

Special non stick coating made of PTFE that ensures long life and rust resistance.

Blade Steel: **D2**
