Info

The Black Fox Viator is inspired by the knives used by American pioneers, hunters and explorers in the 19th century and is designed to be a compact, versatile, effective and rugged knife. Full-tang, with a modified drop-point blade of D2 steel 9 cm - 3.54" long and 4 mm - 0.16" thick. It has a full-flat bevel, a satin finish, and the back of the blade has a short knurling, useful for improving thumb grip for power and precision work.
