NIX

Design by Grigorii Matveev

cod. **BF-763**

Blade Steel: High speed D2 steel
Blade Coating: Acid Stone Washed
Handle: Brown Micarta
Blade Length: 7.4 cm - 2.91"
Overall Length: 13.22 cm - 5.20"
Blade Thickness: 3.5 mm - 0.14"
Weight: 90 gr - 3.17 oz

Info

Along with Puck, named after the water spirit of European folklore, Nix is the second ultra-compact knife. The difference lies in the details that determine how it is used and how convenient it is for the user. The Nix lacks the usual flipper; it opens with the help of a front flipper or from the hole in the blade. The front of the handle and the notch on the blade, when opened, form a wide groove, allows a good grip close to the blade, very convenient for small and precise work.

Blade Coating: **Acid Stone Washed**

Blade Steel: **High speed D2 steel**
