**Weight:** 100 gr - 3.53 oz

Made in China

## **Info**

Artia represents the perfect combination of classic and modern: simple details combine with ergonomics designed specifically for ease of use and transport.

The D2 blade, available with a black PTFE or stone washed finish, pulls out with speed and readiness thanks to the flipper.

Its slim silhouette and G10 handle, in black or green variants, allow the knife to be held firmly.

The handle is enhanced by a reversible clip useful for convenient carrying.
