 **NABUCCO tagliasigari**

Design by Dario Di Chiara

cod. **750**

Hardness: HRC 56-58

Weight: 30 gr - 1.06 oz

Info

Designed and engineered by Dario Di Chiara, the new Nabucco forged cigar cutter stands out for its classic lines and small size that allows it to be easily transported.

Not to be outdone is its performance: made of nickel-plated carbon steel, the blades are very sharp and allow for a clean cut, with a cutting capacity of $\varnothing 19$ mm - $\varnothing 0.82$ ".

Nabucco is accompanied by a fine leather sheath.
