 **MTD Tactical Pens**

Design by Allen Elishewitz

cod. **MTD**

Handle: aluminum T6-6082 anodized in various colors

Clip: stainless steel

Overall Length: 13.7 cm - 5.39"

Weight: 35 gr - 1.23 oz

Info

One end is pointed, which could be used as a very effective defense tool while the other end is blunt and could be used as a control device.

The aircraft grade aluminium body with type 3 anodizing give this pen a very tough and reliable construction. Not only is this pen designed to be used as a defense tool and writing instrument but it also has a very attractive appearance and can also be used as a PDA stylus or pen.
